

Pedal on Parliament is a mass gathering of people who cycle (and those who want to) at our rides in Aberdeen, Edinburgh, Glasgow and Inverness. We deliver a message to our politicians, urging them to make cycling in Scotland SAFE for ALL.

We want you to join in – make your voice heard by those who are empowered by us to really make a change.

Please spread the word! Round up your friends, colleagues and family and join us with your bikes or on foot.
